

B2 and Belsoie by Jasmine – Bridesmaid Size Chart

All bridesmaid dresses come in sizes 4-28. However, there is a size charge for sizes 22-28. Remember that all size charts are body measurements only. You may add extra length to a t-length or full length gown for an additional fee. You may also order extra fabric or add a rush delivery, both for an additional fee.

The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress.
